NEWS: CILC Expansion and Free Resources

The Community Immigration Law Center has received funding to add new staff. As their building host, CPC has offered to finance a remodel of the Library to create new office space and to live out our mission partnership with CILC. As a result:

- Library resources will be relocated to strategic locations throughout campus to continue to serve members and guests (example: Children's library near Classrooms; Adult library cart in Gathering Hall)
- Downsizing inventory provides an opportunity to offer a large number of books and A/V resources to everyone in the church!

YOU ARE INVITED AND ENCOURAGED to visit the library between now and May 1 to take any materials you would like ... for FREE!
