Tell Us a Story

Summer Worship @ CPC
Sundays, June 2 - August 25
One 10am Service

Storytelling will be a broad theme for summer worship at CPC. Sunday sermons will come from the parables (stories) Jesus told. This choice grows directly from our vision and mission which affirm the centrality of Christ in our community. But summer worship at CPC is much more than just sermons. So, we want to engage in a creative process that applies a storytelling theme to a variety of areas in our vision and that prepares us for the future. So, we will pursue stories on Sunday morning that affirm and showcase God's work in the people of our diverse community, reflect the joyful opportunity we have to support our mission, model our commitment to justice and service in God's world.

Summer FaithQuest

June 2 and beyond we will be exploring the parables of Jesus for the next six weeks. The children will have opportunities to respond through art, play, games, and building.
