February 23 - Five Things You Need to Know About Romans

Romans offers the most complete picture of Paul's theology but often leaves us with more questions than answers. Let's dive in and learn together the five critical things you need to know about this rich and complex letter. Presented by Carter Baldwin, Youth Ministries.

March 1 - 1 & 2 Corinthians; How to Live in a Corrupt, Divided Society

In his letters to the church in Corinth, Paul counsels Christians living in a context of moral corruption, litigious dispositions, and divisive relationships. Sound familiar? Furthermore, he is often wrongly accused of being a chauvinist. Come and find out for yourself!

Presented by Donna Wilson, CPC member.

**Ash Wednesday Service
Wednesday, February 26**

5:30pm soup supper • 6:30pm worship (sanctuary)

Let us come together to begin our Lenten journey with Jesus toward Jerusalem, beginning with Ash Wednesday. As we share with each other the imposition of ashes, we recognize our need for God to guide us in this life journey, and in our reflection on the words of God's prophets, we find a holy path to show caring, love and hope to each other and the world, even in our anxious times.

Easter Flower orders are due March 9! Forms in Gathering Hall.
