COMMUNITY IMMIGRATION LAW CENTER (CILC)

MISSION STATEMENT

The Community Immigration Law Center (CILC) provides legal information regarding immigration to individuals and groups who might otherwise not have access to the legal system. CILC does this through walk-in legal clinics, know-your-rights presentations, and other community education and outreach activities.

CILC grew out of a series of meetings with people from various legal, social, and faith-based organizations who shared a concern about the lack of affordable legal services for noncitizens in our community

CILC WALK-IN SERVICES

WALK-IN LEGAL CLINIC

Since **July 24, 2009** the CILC has operated a free walk-in legal clinic. The CILC's walk-in clinic is open twice a month, and gives individuals the chance to receive a free consultation with a volunteer immigration lawyer. The following services are available at the clinics:

- ◆ Brief, confidential consultations on immigration issues
- ◆ Case assessment by immigration lawyers
- ◆ Answer questions about immigration forms

REFERRAL & INFORMATION

CILC does not represent people in their immigration cases. During walk-in hours, immigration concerns are evaluated by an experienced immigration lawyer. Participants who need further assistance will be referred to a list of local immigration attorneys.

WHEN AND WHERE

Walk-in clinics are held on the **2nd and 4th Friday of the month from 2:00 p.m. to 5:00 p.m.** at Christ Presbyterian Church at 944 East Gorham Street in Madison.

No appointment needed. First come, first served

Centro is easily accessible by car, bus and bike. Directions are on the back.
